SETTLED STATUS

Settled Status is a new immigration scheme for EU and EEA citizens and their family members who wish to continue living in the UK. You might have also heard of "The EU Settlement Scheme".

It will allow you and your family members to continue to live, work and study here in the UK.

You will still be eligible for:

- ✓ Public services, such as healthcare and schools
- ✓ Public funds and pensions
- ✓ British citizenship, if you meet the requirements and want to apply.

WHO SHOULD APPLY?

Citizens of

who are planning to continue living in the UK.

- x British citizens should not apply
- x Irish citizens may choose to, but do not need to apply.
- x Holders of an "indefinite leave to remain" or "indefinite leave to enter" may, but do not need to, apply.
- ! If you have a valid UK permanent residence document, you must transfer to settled status. More info: <https://bit.ly/2TR9Zrk> [Apply to the EU Settlement Scheme (settled and pre-settled status)]

'Continuous residence' means at least 6 months in any 12 month period.

If the automatic checks do not work in your case, you will be able to submit additional evidence, e.g. photos or scans of your documents. List of acceptable additional evidence may be found online at: <https://bit.ly/2CCROji> (Annex A: documentary evidence of continuous residence in the UK)
